Cell-Loc Location Technologies Announces Closing of Previously Announced Private Placement

Calgary, AB, October 10, 2007 – Cell-Loc Location Technologies Inc. (TSX-V: LTI) ("CLTI" or the "Company"), a leading developer of network-based wireless location technology that enables location-based services, is pleased to announce the closing of its previously announced private placement. This private placement consists of 8,823,531 units ("Units") in the capital of the Company for gross proceeds of \$1,500,000 at a price of \$0.17 per Unit (the "Offering"). Officers and directors of the Company participated in the Offering for \$265,235.

Each Unit consists of one common share ("Common Share") and one half of one Common Share purchase warrant (each whole warrant, a "Warrant"). Each Warrant entitles the holder thereof to acquire one Common Share at an exercise price of \$0.25 per Common Share at any time on or before the 24 month anniversary of the closing of the Offering. The Common Shares and Warrants issued pursuant to the Offering are subject to a four-month hold period expiring on February 11, 2008.

Net proceeds of approximately \$1,450,000 (net of estimated financing costs of \$50,000) from this private placement will be used to fund business development activities and for working capital purposes. The Company paid \$30,617 in finders' fees to various arm's length agents in connection with the Offering.
